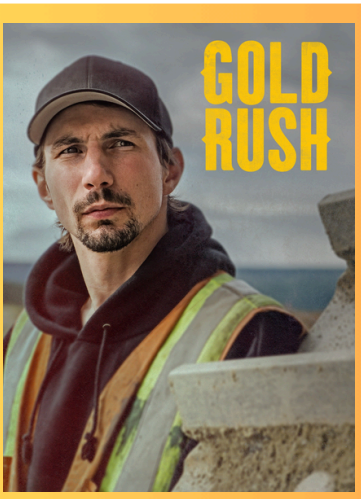
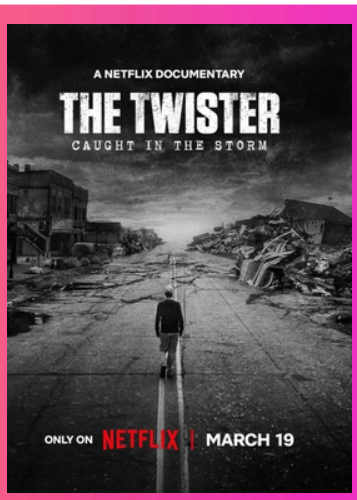
RISE AT raw





WORK EXPERIENCE PROGRAMME 2027

raw.co.uk

Rise@Raw is Raw's work experience programme, offering six-week paid placements to individuals who are passionate about documentaries, bursting with enthusiasm to work in TV production and can't wait to get their foot in the door of the industry.

A Rise@Raw placement will give you the opportunity to find out how a busy and dynamic production company works, learn essential production skills, meet experienced and talented TV professionals and help develop the confidence you need to move forward in your career.

If you’re looking for your first step on the TV career ladder, then work experience at Raw could be for you.

Raw is committed to discovering, nurturing and championing talent from all backgrounds. We would particularly love to hear from individuals from a sector of the community that is currently under-represented in the industry. This includes people from lower socio-economic backgrounds and/or who identify as having a physical or hidden disability and/or who are from an ethnic minority.

- You must be at least 18 years old at the start of the placement and be living in the UK with the right to live and work in the UK and have indefinite leave to remain or settled status.
- Applicants must not be in full-time education (this includes taking a gap year) or in permanent employment if accepted onto the programme.

The placement takes place in person in our Shoreditch office and lasts for six weeks. We offer the London Living Wage for all successful applicants.

Placement start dates will be staggered across the year with the first placement starting in early January and the last placement finishing in December.

When you apply for Rise@Raw you will be asked if there are any dates that you aren't available. We can accommodate a few days absence but anything longer would compromise your experience. If you're selected, we will allocate you a start date and you will be expected to commit to it, even if it's not until later in the year. Please note that dates may be subject to slight change according to our business needs but you would be given prior notice.

Due to the high volume of applicants we receive, only those shortlisted for interview will be contacted. If you do not hear from us within one month of the application deadline, you should assume that you have been unsuccessful on this occasion but you are welcome to reapply next year.

Raw is committed to providing an environment which supports equity, ensuring that we offer the support and resources required to enable people to do their very best work while they are part of our community. If you have any access requirements for the interview, please let us know in your application or if you would like to speak to us before applying about access requirements, please email rise@raw.co.uk.

The deadline for applications is **Sunday 25th October at midnight.**

We wish you all the best with your application and look forward to hearing from you!
